

The Ultimate Checklist for Stride K12-Powered Online School Enrollment

- Find the Stride K12-powered online public or private school that's best suited to your student's needs by using our School Finder. Enrollment costs vary for each option:
 - Tuition-free online public schools
 - Online private school options
 - Individual Stride K12 online courses for purchase

- Get excited for your course materials! When you enroll in a Stride K12-powered online school program, the materials your student needs to complete their courses are shipped directly to your home.

- Download the K12 app and join the Learning Coach Community.

- Set up a dedicated workspace for your student.

- Develop your student's daily schedule. Depending on their grade level, expect your student to spend between 4 and 7 hours a day on school, five days per week.

- Check the enrollment status for your preferred school using our Parent Portal.

- Engage with our community of parents and other Learning Coaches for tips and support:
 - Stride K12 Facebook Page
 - "What's Your Story?" site
 - Behind the Scenes
 - Learning Coach Community

- Get involved! Browse our events calendar to find out what's coming up in your area.

- Visit "A Day in the Life" to see how students at Stride K12-powered schools spend their days.

- Enroll in Stride Career Prep. Some students know what they want to do after high school, and taking career prep courses can give them a head start. Others can discover possible occupations and career fields through Stride Career Prep.

- Explore our various online clubs, competitions, and more to find fun ways for students to engage with peers and dive deeper into their interests.
